Treaty Fishery  
Management  
Authority

Illinois Dept.  
of Natural  
Resources

The fisheries management agencies of Lake Michigan and its' partners will present a one day conference on the status of Chinook salmon populations and forage in Lake Michigan. This conference will concentrate on the sport fishery and forage base dynamics since the Chinook salmon stocking reduction was instituted lakewide in 1999. The immediate future of salmon management in the lake will also be discussed.

Hosted by the Michigan Department of Natural Resources and  
Michigan Sea Grant

Conference room located at the Napier Avenue Campus, main building, Blue Lecture Hall. 2755 E. Napier Avenue, Benton Harbor MI.

5\$ Pre-registration required through Michigan Sea Grant.  
Space is limited. Lunch will be provided.
